

Short Talk for SISA

RSx-yy

Hirokazu Tanaka (Toshiba)

- You have to give a short talk before your poster presentation.
- This is a PPT template format for the short talk.
- You are restricted to 2-3 pages for the talk including the title page.
- Free formats are available for the presentation.
- But, your paper-title, authors-name and Paper-ID must be included in the title page.

section title

- Please show the main key points of your presentation briefly.
- About 1minute will be given to you for your introduction.
- Also, please send an email with your presentation file and the Copyright Transfer form attached to SISA-TPC secretary, secretary@ml.ieice-sisa.org
- The name of the attached file should follow the form “PaperID-authurname-organization,” for example, “ID999-Tanaka-Toshiba.ppt” to avoid confusion.
